Significant Accounting Policies and Notes to the Financial Statements

A. Background

1. Max Life Pension Fund Management Ltd., (MLPFML) a Company incorporated under the Companies Act, 2013, and a subsidiary of Max Life Insurance Company Limited (MLIC) was appointed as a pension Fund Manager (PFM) by the National Pension System Trust (NPS Trust) for the management of Pension Fund and for this purpose it has entered into Investment Management Agreements (IMA) . As per unbundled architecture of the NPS Trust, the main responsibility of the PFM is to manage funds in accordance with the laid down guidelines and declare NAV. As per the architecture, Protean eGovernance Infrastructure Ltd., Karvy Computershare Private Limited and Computer Age Management Services Limited (being the Central Recordkeeping Agencies (CRAs) provides consolidated data to PFM for allotment/redemption of units and Axis Bank Ltd., being the Trustee Bank, provides/ receive funds on consolidated basis in respect of such allotment/redemption.
2. CRA's responsibilities includes:
 - a. Recordkeeping, Administration and Customer service functions for NPS subscribers,
 - b. Providing Unique Permanent Retirement Account Number (PRAN) to each subscriber,
 - c. Maintaining database of all PRANs issued and recording transactions relating to each subscriber's PRAN,
 - d. PRAN Transaction Statement,
 - e. An operational interface between PFRDA and other NPS intermediaries such as Pension Funds, Annuity Service Providers, Trustee Bank etc.
 - f. CRAs are responsible to resolve all queries pertaining to investors. CRAs inform about the subscription and redemption to Pension Fund Managers (PFM) and also instruct Trustee Bank to credit PFM's pool account maintained with them.
3. NPS Trust has designated Deutsche Bank AG as the custodian, who is responsible for safe custody of securities and settlement of trades.
4. CRISIL has been designated as valuation service provider, who is responsible for providing rates for valuation, which is used by PFM for valuation of investments.
5. The Trustee bank provides subscription funds on a consolidated basis for all the schemes managed by PFM and credits the same to a control account maintained by the PFM, wherefrom the funds are transferred by the PFM to the respective schemes. The PFM record receipt of funds in the respective schemes only.
6. The fees payable to CRAs as per the architecture is charged to the investors by redemption of units as claimed by RAs.

3. Investments transactions

- a. Purchase and Sale of investments are recorded on the date of the transaction, except for redemption of investments in Mutual Fund schemes, wherein the transactions are recorded on the next business day after receipt of the confirmation.
- b. In determining the holding cost of investments and the gain or loss on sale of investments, the “weighted average cost” method is followed.
- c. The cost of Investments acquired excludes transaction charges and brokerage (which is borne by the PFM).

4. Valuation of investments: Investments are valued using the price determined in the following manner:

- a. Valuation of Treasury bills, State development loan and Government Securities (up to 0 days)
 - Following waterfall mechanism is used for deriving yields of the securities
 - LTY reported on CCIL and RBI reported deals with respective bid-ask is checked. Preference is given to CCIL trades over RBI.
 - Benchmark movement (with previous day’s spread)
 - Outlier trade based on the yield movement of the trade, over and above the yield movement of the matrix/benchmark, if more than 5 bp, shall be polled for feedback from market participants
- b. Mutual fund units: Mutual fund units are valued at the latest available/previous day's NAV from AMFI website.

5. Income Recognition

- (i) Interest on interest bearing and other fixed income investments is recognised on a day to day basis as it is earned. On purchase of such investments, interest paid for the period from the last interest due date up to the date of purchase is not treated as a cost of purchase but is treated as interest recoverable. Similarly, interest received at the time of sale for the period from the last interest due date up to the date of sale is not treated as part of sale value but is treated as interest recovered.
- (ii) Profit/Loss on sale of investments is accounted on the date of transaction on which the contract for sale is entered into, except for redemption of investments in Mutual Fund schemes, wherein the profit/loss on sale are recorded on the next business day after receipt of the confirmation.
- (iii) Appreciation/Depreciation, as the case may be, in the value of the investments at the yearend have been computed for the Scheme, whereby the aggregate market value of all investments taken together is compared with aggregate cost of acquisition. The change in net appreciation/depreciation is recognised in Revenue Account. The change in net appreciation/depreciation, if any, is transferred to/from the “Unrealised Appreciation Account” shown as part of Reserves and Surplus.

6. Computation of Net Asset Value (NAV): The NAV of the units is determined by dividing the net assets, including investments recognised and valued as per the accounting policies, by the number of outstanding units on the valuation date.

7. Unit Premium Reserve: Difference between the issue/redemption price and face value of units is credited/debited to Unit Premium Reserve.

8. Income Taxes: No Provision for Income tax has been made since the income of the Scheme is exempt under Section 10(44) of the Income tax Act, 1961.

D. Investment Management Fees: The Scheme has paid/provided for investment management fees to PFM for managing the Scheme at an annual rate of 0.09% p.a. as per slab rate prescribed by PFRDA for PFMs upto AUM 10000 crores on the daily scheme assets managed by PFM as per the Investment Management Agreement (IMA) signed with NPS Trust, the details of which are as under:
